

Date, 15 August, 2022

Hi,

I hope you are doing well. Here are the short details and quotations of your requirements.

- Total Pages of the website are 8.
- Admin Panel for managing website data.
- Add user Registration form
- Make a page for users to see their data via CNIC number
- Make a report on an excel sheet of registered users
- Download the excel sheet

Time estimation of this project: 2 weeks (Including testing and deployment)

Total cost: 45k (Including 1-week free support)

Support will not include the new features. It will be only for the existing features.

Support will not include the new features. It will be only for the existing features.
